

WESTHILL

CENTRAL SCHOOL DISTRICT

Hill & Vale

Vol. XCII • No. 1 • September 2018 • A Publication of the Westhill Central School District

CAPITAL PROJECT CONSTRUCTION UPDATE

Westhill High School

- Academic Wing
 1. Renovation of the 3rd floor with new science classrooms: **90% complete at the start of school, completed by the end of October.**
 2. Renovation of all bathrooms (all floors): **2nd and 3rd floors 100% complete by the start of school; 1st floor 50% complete by the start of school, 100% by the end of September.**
 3. Replace roof, windows, and exterior wall: **roof - 95% complete at the start of school, 100% by the time exterior walls are complete; windows - 95% complete by start of school, 100% by the end of September; exterior wall - 60% complete by the start of school, 100% by mid-November.**
- New outdoor toilet facilities: **100% complete.**
- Boys & girls locker rooms renovation: **boys-95% complete at the start of school, 100% by the end of September; girls locker room to be completed by October.**
- Repave Grand Avenue parking lot: **100% complete.**
- Replace pavers at main entrance and Grand Avenue: **95% complete at the start of school, 100% by the end of September.**

Onondaga Middle School

- Parent drop-off building entrance and staff parking lot improvements: **95% complete by the start of school, 100% by the end of September.**

Walberta Park School

Drawing Contest Winners

Each year, OCM BOCES School Library Systems hosts a drawing contest for students in local school districts. Winners of the contest will have their drawing on display during an administrator awards banquet, and a few entries will be chosen to be part of the School Library Systems calendar. This year, four talented WPS artists received recognition. Annie Horning's and Aurora Savelesky's pictures were on display during the award banquet and Juliana Francisco's and Tyler Light's pictures are part of the 2018-19 School Library Systems calendar.

Box Tops for Education

The Box Tops for Education program helps schools earn money toward the purchase of school supplies. This past year, Mr. Pellegrino, grandfather of kindergarten student, Anthony White, collected over 200 box tops for the school! We appreciate his support and the support of all others who have collected box tops for WPS over the years.

Flag Day Fun

Cherry Road School hosted another terrific Flag Day! Students enjoyed seeing community members as they walked in the parade. Pictured below are students from Ms. File's kindergarten classroom.

Cherry Road School

CRS Award Winners

Each year two awards are given to four CRS fourth graders (one boy and one girl for each award) in honor of two past CRS principals. Staff members nominate and vote for the students most deserving of these awards. The Marion Parsons award is given to students who exemplify high standards of character, good citizenship, personal development, and scholastic achievement. This award has been given since 1952; this year's recipients were Ben Czaplicki and Molly Ryan. The Ron Hill School Spirit Award was established in 1994 for students who best demonstrate patience, congeniality, sensitivity, perseverance, and a keen sense of humor. Our 2018 winners are Eric Holstein and Auora Shewchuk. Congratulations to these deserving students! Pictured left to right: Ben, Molly, Mrs. Mulderig, Eric and Aurora.

Senior Walk

Cherry Road School showed its support for the Class of 2018 as graduates walked the halls of their old elementary school. The little ones looked up to the teens in awe and hopefully are inspired to continue to work hard. The graduates enjoyed seeing former teachers and laughed with joy as they received cheers and viewed signs from the elementary children. What a great event for kids big and small!

School Banking

Thank you to Empower Federal Credit Union, who does our school banking program, for providing everyone at CRS with ice cream on a sunny day in June! Our students are learning the value of saving thanks to Dollar Dog and the staff at the credit union. We appreciate Mrs. Hoover, our school banking representative!

Onondaga Hill Middle School

Band Earns Gold with Distinction

Onondaga Hill Middle School's 7/8 band participated in the annual spring NYSSMA Music Festival held in Auburn proudly receiving the very highest honor awarded - Gold with Distinction! The NYSSMA Festival provides school music groups the opportunity to hone students' efforts and artistry into a musical performance that is objectively evaluated by certified adjudicators. This performance evaluation allows for recognition of students' current level of musical achievement in addition to providing students outside commentary to spur continuing musical growth. Congratulations to the 94 members of the 7/8 Band on this incredible honor!

NYSSMA Solo Music Festival

Congratulations to the middle school students who represented Westhill at the annual NYSSMA Solo Music Festival held in May at Cicero-North Syracuse High School. The annual festival allows developing musicians to strive for excellence on their instrument through the intense study of solo literature. Students are required to perform a pre-approved solo from one of six levels, memorize scales, and perform sight-reading. Students perform for a certified NYSSMA adjudicator who provides constructive feedback and suggestions for improvement. Awesome job musicians, we are so proud of you!

Grade 8

Will Bradley – Trumpet / Level 5
Isa Cardoso – Clarinet / Level 5
Megan Moriarty- Bassoon / Level 3
Noah Rewakowski – Snare Drum / Level 5
Bella Jones – Clarinet / Level 4
Abby Miggiani – Tenor Saxophone / Level 3
Travis Burkett – Tuba / Level 4
Jill Eckert – Flute / Level 4
Rachel Colucci – Trumpet / Level 3
Sofia Benderski – Voice / Level 5

Grade 7

Dakota Neuman – Bassoon / Level 2
Mary Snyder – Flute / Level 3
Simon Graf – Snare Drum / Level 3

Westhill Day of Jazz

Through the support of a Westhill Educational Foundation grant, band students at Onondaga Hill Middle School and Westhill High School participated in the second annual "Day of Jazz" at Westhill High School. This project was paired with our annual Westhill Senior Citizens' Dinner and Jazz Concert held at Westhill for 40 years, which featured clinics and a culminating performance by the 15-piece big band Central Winds Jazz Ensemble. Through this grant, more than 80 Westhill students were provided the opportunity to work side-by-side with renowned CNY jazz educators who shared their passion and expertise with students. This professional-scholastic collaboration was designed to promote and inspire creativity, and create unforgettable musical moments for student-musicians and concert-goers.

Onondaga Hill Middle School

Doug Hutson Leadership Award

The Doug Hutson Leadership Award was established in 2012 to honor Mr. Hutson for his dedication of nearly 20 years as Onondaga Hill Middle School's principal. The winners who are chosen by the faculty, represent the values Mr. Hutson tried to instill in his students; making good choices, being respectful and showing character to name a few. This year's winners were presented with their award on Moving Up Night. Congratulations to Brandon Mulholland and Jillian Eckert!

Moving Up Night

Each year, 8th grade students are given the opportunity to write an essay about their experiences at OHMS over the previous four years. Our ELA teachers then choose two students that they feel represent the spirit of OHMS and they read their essays at Moving Up Night. This year, Sarah Balduzzi and Colleen Patrie were chosen. Congratulations!

Tara McMahon Award

The OHMS Parent Council established the Tara McMahon Award in memory of Tara, a beloved OHMS student, who passed away. The school and Parent Council wanted to remember the characteristics of Tara with two annual winners from the 8th grade class. The faculty selected two students that exemplified her passion for music, displayed a caring attitude and included their peers in school activities. Congratulations to Sofia Benderski and Travis Burkett!

Spanish Spelling Bee

Profesora Maglente's 7th and 8th grade students took part in her annual Spanish Spelling Bee. 120 students took a written test in which students had to spell 20 Spanish words that Profesora had chosen for the first round. The top 15 spellers made it to the second round in which students had to spell the words out loud using the Spanish alphabet, even accent marks were needed in order to spell the word correctly. After 16 rounds, we had our top 3 Spanish spellers. First Place was Brian "Leo" Kenny, second place was Quinn "María Bolígrafos" Pens and third place was Delaney "Evita" Carroll. ¡Felicidades a mis tres estudiantes! ¡Buen trabajo!

Onondaga Hill Middle School

Students of the Month

May

5th Grade: Laura Stanton is always kind, patient with others and helpful. If someone is down, she tries to lift them up. She is a true friend and is genuine at all times. She works hard on her schoolwork and is always cheerful in class.

6th Grade: Sam Smithers always has a smile on his face. He is polite and goes out of his way to say goodbye to his teachers each day. Sam has worked hard in 6th grade and had a very successful year!

7th Grade: Devin Young is a conscientious student and kind, caring young man. What really stands out about Devin is he is new to OHMS this year. He seems to have handled the transition (academically and socially) very well. It's very impressive.

8th Grade: Tyson Burdick is polite and respectful. He is kind to his classmates and always works hard. He tries his best and cares about others.

June

5th Grade: Grace Bergett is a model student. Academically, she works hard and strives for excellence. Socially, she is kind and helpful toward her peers. Grace comes to school each day prepared and enthusiastic. Her most endearing quality is her tolerance and "grace" toward her classmates.

6th Grade: Emma Paetow is a caring and friendly student. She greets her teachers and classmates with a smile each day. Emma works hard in class and puts forth her best effort in everything she does. She has done a great job this year!

7th Grade: Mary Snyder has been a fantastic student all year. She is a diligent worker and always goes a step beyond with all her assignments. She is very polite and always has a smile on her face. Mary consistently displays many of the twenty-four P2 character traits discussed throughout the year. She helps other students prepare for tests and quizzes. She intrinsically values her education and sincerely enjoys the challenges of each subject area.

8th Grade: Amanda Case is a nice person. She is polite, helps others and always has a positive attitude. She works hard and always tries her best.

Dropcopter Comes to OHMS

During their study of animals, 5th graders learned about the declining bee population and its effects on our agriculture. Mr. Adam Fine spoke to the classes about his invention of the Dropcopter. The Dropcopter, which is the first of its kind, was invented to improve pollination in the United States. It is a drone that drops pollen on plants that need to be pollinated. Mr. Fine helped the students to understand the decrease of bees' pollination. This was a very interesting topic to our students as many were not aware of the problem, and anything involving a drone captures their attention.

American Heart Association Fundraiser

On June 6 and 7, 2018, OHMS students participated in a fundraiser for the American Heart Association, and collected \$2,393 in donations. The top fundraiser was Brynn Schneider, a 6th grader from Mrs. Stanton's room, who collected \$590! The theme for this year's fundraiser was The Great Replay, highlighting games we played as kids. Due to the weather, our original plan of playing Capture the Flag was scrapped for an indoor competition of Blue versus Red in three events; Bobsled Relay, Individual Scooter Medley Relay and Long Rope. At the end of two days of tight competition, the final result ended in a tie. Thanks to all those who competed with your heart healthy spirit!

Friends at Brookdale

Mrs. Fairbanks's 5th grade class visited Brookdale Senior Living to read their poetry and sing patriotic songs. The students and residents also discussed their life experiences and how the Positivity Project strengths related to each. The fun-filled visit culminated with several students singing *Let it Shine*. Dyonte Bragg reads his poem to the residents at Brookdale.

Westhill High School

Project Lead the Way

Our Project Lead The Way pre-engineering curriculum has a national end of course examination for each of the courses we teach. The scoring is on a 1 to 9 stanine scale, with a score of 9 very difficult to obtain. For the year 2017-2018 the following students scored a 9 in the following classes.

Design and Drawing for Production

Cristian Malone
James Hunt

Civil Engineering and Architecture

Justin Bistrovich
Benjamin Eassa

Computer Science Principles

Adam Amaya
David Bleskoski
Michael Leonardo

Westhill High School held their 19th annual Senior Project presentations on June 5, 2018. Each year, seniors in the Pre-engineering capstone course, Engineering Design and Development, select a real world Engineering Design problem and try to solve it. At the end of the year, the students present to a panel of Engineers their solution. This year the projects were:

Using Tidal Power for Emergency Electrical Power on Island Nations

Timothy Carkner, Connor Schwartz and Evan Watt

Designing a Virtual Reality Input Device

Robert Ahern, Alexander Feliu and Mackenzie Kenyon

Removal of Hard Packed Snow and Ice

Bradley Zell and Anthony Jetter

Perching Drones

Cade VanOrnam and Jack Savage

Automatic Porch Window Install and Removal System

Benjamin Eassa, Michael Leonardo and Michael Laszlo

We would like to thank William Wrisley of Lockheed Martin; Daniel Heffernan, Civil Engineer; Patrick Ferrick, our Physics teacher; Sandra Scott, Chemical Engineer; David Kopp, Electrical Engineer at Hewlett-Packard Enterprise and Alec DeFilippo, Biomedical Engineer, for being our reviewers.

Giving Back to Our Community

This year, three groups of students volunteered at the Rescue Mission serving dinner. The Rescue Mission serves approximately 700 people on a daily basis. They offer many services for Syracuse's homeless and families in need of help. In support of Rachael's Challenge, Character Ed and CARE, students have been offered many volunteering opportunities this year with the Refuge Center and at the Rescue Mission. We live in a community that has many needs and organizations have many opportunities for students and their families to help. Our students really love helping and leave feeling thankful and appreciative for what they have and excited with the chance to help others and give back. Your family can get involved by contacting the Rescue Mission or another Syracuse organization and start "giving back" today.

Dodgeball Benefits Make-A-Wish

A dodgeball tournament was organized by the CARE and Character Ed clubs to raise money to benefit Make-A-Wish. Ten teams of 6 student donated \$30 to play in a double elimination contest to determine who would play the faculty team. The team, ZBB, led by team captain Zack Brown, won the student tournament and then stomped the faculty team! The crowd cheered the teams on to the end. Students and faculty had a blast. In the end, \$400 was raised to donate to Make-A-Wish. We are so happy that we could contribute to making a child's wish come true, and hope this will become a yearly tradition at Westhill.

The Expo Center Project

In September of 2017, the New York State Fair put out a proposal for a 150,000 square foot multi-use Expo Center for the Fair Grounds. As it is a requirement of the civil engineering and architecture course (CEA) for students to construct a computer model of a commercial project, the CEA students were tasked with designing computer models for the proposed Expo Center. The students met with architects from King & King Architects and a structural engineer from C&S Companies to learn how they would approach the design problem. They toured King & Kings LEED certified office building, the War Memorial and the OnCenter to get ideas and for the opportunity ask questions.

On June 5, 2018, they presented their concepts at the NYS Fair Grounds to professionals from King & King Architects, C&S Companies, New York State Fair personnel and members involved in the construction of the actual Expo Center. There were three groups and each had a 20 minute presentation with an additional 10 minutes for questions.

Athletes Honored by Section III

On Monday, June 11 at The SRC Arena at Onondaga Community College, Section III recognized two of Westhill's finest student athletes. Surrounded by their families and coaches, Westhill seniors, Alaina Kenny and Clayton Markham, were honored by Section III as Senior Scholar Athletes. This event is an opportunity for Section III to honor selected scholar athletes for their accomplishments in academics and athletics. Alaina and Clayton were among 170 student athletes recognized by the Section. Both Alaina and Clayton will be furthering their academic careers at the University at Buffalo. Also, at this terrific event, Clayton was honored as a recipient of the Coach "D" Achievement Award. This award is given in honor of former Chittenango Athletic Director, Frank DiChristina. We would like to congratulate Alaina and Clayton for their exceptional achievements throughout their high school careers, and wish them much success in the future.

Food Service Substitutes Needed

The Westhill Central School District Food Service Department is seeking applicants for substitutes in all four district kitchens.

This is a great opportunity to earn some extra money while your children are in school. Excellent working conditions with flexible hours.

Please contact Rich Gunther, Westhill Food Service Director, at 426-3153, or apply at the high school main office.
