Playground Communication Board

The playground communication board at WPS is done and installed. This board now makes it possible for all children to be able to functionally communicate in a leisurely setting. Making our playground inclusive to everyone was the goal when we envisioned this board. The project helps all children connect to each other by allowing them to use (point to) universal symbols to communicate with each other when there is an expressive language barrier while on the playground. This can be used by students who experience high levels of worry and “freeze” when they are feeling this way or have trouble articulating their thoughts, feelings or ideas. This will provide the ability for all learners to connect in a positive manner in an unstructured environment including inviting others to play with them; being able to ask for help in specific ways; identify if they are hurt or scared; as well as increase interactions between children as well as children and adults. We also see this board as a way to raise awareness for everyone in the community by having the mindset of putting positivity in action. We are very proud of this board and want to thank the Westhill Educational Foundation for the funding, our maintenance/groundskeepers Andy DeBarr and John Patapow, along with Walberta’s custodian, Mark Smith, for the careful installation, and Ed Wittowski’s help with ordering to make this all possible.

Fall Celebrations

Second graders enjoyed their fall celebrations, both in class and virtually. Fun was had by all and we’d like to say a big thank you to WEST for the goody bags!

3rd Grade Artists

Students in Ms. O’Brien’s art class explored the mysterious jungle paintings of French artist, Henri Rousseau. Inspired by his artwork, the third grade artists created imaginary jungle scenes of their own!

Onondaga Hill Middle School

Art Room Happenings

The 5th grade artists have been busy completing still life collages, with inspiration from artist Henri Matisse. The students were encouraged to draw at least 5 proportioned objects, overlap, mix their own colors for a subjective color scheme and include lots of patterns. Boy, did they come through! Shown here is collage by Elsie Cecile.

A random word collection from A-Z was the subject matter for our 6th grade "Surreal Composition". Sixth grade artists took a peek at a few well known surrealist artworks by Salvador Dali and Marc Chagall to get the art vibe before sketching out their ideas. Students were encouraged to explore a variety of media and try various art techniques. Most students jumped right in, while some were a bit more cautious...a learning experience for all! Shown here is artwork by Claire Kelly.

Students of the Month

September

5th Grade: Julia Tjaden is a hard worker. She completes her class assignments on time and displays perseverance with her academics. Julia is very responsible with her job as a student here at OHMS.

6th Grade: Caitlin Ide gives her best effort every single day. She is polite and kind to all her peers and teachers. Caitlin makes OHMS proud.

7th Grade: Addison Buell is always kind to everyone around her. She is also an extremely hard worker who takes pride in everything she does.

8th Grade: Collin White is one of the most respectful, sincere and kind students in this building.

October

5th Grade: Jordon Brown is always participating whether he is virtual or not. He has an amazing sense of humor and made the transition to 5th grade very easily.

6th Grade: Zoe Zuckerman is always energized during class. She keeps class discussions entertaining and helps her classmates whenever possible. Zoe is a joy to have in class.

7th Grade: Miles Carroll is extremely proactive and respectful. He always asks good questions and listens to what everyone around him has to say.

8th Grade: Kyra Northrup has transitioned to Westhill very well. She is always positive and cheerful. It is hard to transition to a new school during any year, much less during a pandemic!

Mindfulness Matters Club

Is your student looking for ways to calm down, de-stress and feel great? Then the Mindfulness Matters Club is for them! Each month students will receive a club kit and have a virtual meet up where we will work on our kits together and practice a meditation activity as a group. If your student is interested, please sign up on the OHMS library website.

NY Times Best Selling Author Visit

On Friday, November 13, OHMS hosted their first virtual author visit with New York Times bestselling author, Jennifer Nielsen. Everyone at OHMS has been reading her books in preparation for this event. The students were given an Author Choice Board assignment in their ELA classes in which they were able to submit questions to ask Ms. Nielsen. They submitted almost 300 questions! Twelve lucky students were chosen from Cohort B to specifically ask their questions and also their peers in Cohort A's questions during our virtual meet up. Although we wish our visit could have been in person, it was awesome getting to spend some time with her even if it was remotely. A HUGE shout out to the Westhill Educational Foundation for supporting this event. With the generosity of WEF and that of Jennifer Nielsen, we were able to give away over 80 of her books!

Onondaga Hill Middle School

Healthy Choices Week

OHMS celebrated Healthy Choices Week October 19-23. The theme this year was, "When we make healthy choices... we are all in this together". Who knew when the theme was selected last year how meaningful "we are all in this together" would be! Students participated in a Fun Run to emphasize the importance of exercise, they enjoyed an afterschool movie to give them an opportunity to relax and socialize with peers and they worked with their homeroom to brainstorm healthy choices and develop a slogan for the slogan contest. Mrs. Bricco's class won the contest with the slogan, "Being Healthy is Key".

5th Grade Science

The fifth graders have been enjoying our new Smithsonian Science unit. They have been working to answer the focus question, "How have humans impacted the water we need?". In this lesson, the students were given water contaminated with soil and fertilizer. They worked together to design and test a three step solution to filter the nitrates out of the water.

Veterans Day Cards

For the past several years, as part of our P2 program, Mrs. Maglente's class has been making Veterans Day cards for the veterans at the VA hospital. Mrs. Maglente has a contact who then delivers them to the veterans at the hospital. Thank you for thinking of others and showing P2 trait of gratitude!

Festival of Trees

The Onondaga Free Library Festival of Trees committee invited our OHMS students to decorate a tree to be raffled off at the OFL. A group of 8th graders in Mrs. Feyerabend's art class stepped up and created adorable clay snow peeps (mixed in with chocolate stockings). The trees will be set up for display in the upstairs fireplace area at the OFL. Ticket sales begin Friday, 11/20 and the raffle will be held on Friday, 12/11. Great job 8th graders: Yusuf Abraham, Maille Alt, Phoebe Burns, Julie McGann, Julian Metzgar, Cadence Ramsing, Anthony Sampo, Collin White, Nami Sierra, Emily Balduzzi, Makaila Coss, Quinn Herring, Lilly Loveless, Sydney Medeiros, Jonathan Murphy, Teddy Popp and Sophia Valenti.

Westhill High School

NYSSMA Conference All-State

The Westhill Music Department is thrilled to announce that three of our student-musicians, all also officers in our Tri-M National Honor Society for Music, have been selected for New York State School Music Association All-State Performing Ensembles or as Alternates. Congratulations to Angelo Carr - All State Symphonic Band (Trombone), Nate Juman - All State Chorus Alternate (Bass 1) and Andrea Vigliotti - All State Chorus Alternate (Soprano 2)

Selection to the Conference All State Performance Ensembles Roster is the highest musical honor attained by student musicians in New York State. This year, NYSSMA will not assemble these students in-person to rehearse and perform, as the December Winter Conference in Rochester has been cancelled due to the COVID-19 pandemic. All-state groups will gather in a virtual format for this experience where students will collaborate with conductors, master-teachers, and their peers from around the state via digital means to prepare and present their performances. We are so proud of you, Angelo, Nate, and Andrea!

French Club

Bonjour tout le monde! Meet this year's High School French Club officers: Président, Ian Shepherd; Secrétaire, Mia Scott; Trésorière, Lauren Lyons and Vice-Présidente, Sofia Benderski.

The officers would like to invite any and all students to watch movies in French (with English subtitles). Join us about once a month in the WHS auditorium (socially distanced) after IA for a real movie experience, all cohorts welcome. Also, the officers are planning to hold 2 or 3 crêpe sales this year using delicious premade crêpes to assure that we maintain health standards. The club welcomes all high school French students and we are open to your suggestions. Rejoignez-nous!

October Warriors of the Month

9th Grade: Caitlyn Knohl always comes to class and Google Meets with zest and enthusiasm. Her upbeat and kind personality is contagious. She's also the first to offer assistance to anyone needing help. Caitlyn is a true leader in the classroom and should be congratulated for her warmth of personality and commitment to staying positive in adverse learning situations. She's also a science rock star. Keep up the good work Caitlyn!

10th Grade: Ian Centore is the first to participate in class and in meetings. He is confident, hardworking and intelligent. Keep up the great work!

11th Grade: Danny Carkner is one of the most positive and respectful students in the building. He is quick to ask how others are doing and is willing to work with anyone. Congratulations Danny, and keep up the good work.

12th Grade: Eden Derrenbacher is one of the kindest students in the building. She is often seen helping other students in such a way as not to draw attention to them. She takes the time to explain the assignment and show step by step how to complete it when teachers are busy with other students. Eden comes to class always ready to work and do her best, she sets a great example for others. Congratulations, Eden!

Chemistry Halloween Labs

Ms. Evanchof's and Mr. Maimone's chemistry labs completed a spooky "Hocus Pocus Potions Lab" the week of Halloween. Common household chemicals took on a haunted twist as they were labeled with Halloween-themed names. For example, green dish soap was labeled "Toad Slime" and water was labeled "Witch's Tears." At the end of the lab, students had fun guessing what each chemical was. Overall, students enjoyed the hands-on experience that tied together science and the holiday.

Celebrating Veterans Day

To celebrate Veterans Day, the Future Teachers Club filled out cards that were dedicated to celebrate Army, Marine, Navy, Coast Guard, and veterans in general. This was a way for our community and club to thank veterans and make their holiday special. The cards were sent to the New York State Veterans Home in Oxford, NY.

2020-2021 Yearbook

The 2020-2021 school year will be the year remembered as the time of Covid-19 and by all of the things that have changed as a result of this global pandemic. This year, the dedicated yearbook staff, our editors (Madison Thomas and Isabella Rey), and our advisor (Mrs. Casper) are working extremely hard to provide the Westhill community with a yearbook that allows people to focus on the good of the year and provides people with some sense of normalcy.

This year has brought a whole new world filled with unknowns and hardships that this year's staff has worked diligently to persevere through and to create such a memorable book that you will not want to miss. Out of an abundance of support from both our advisor and our editors, the staff has been able to work through challenges and jump through many hoops in order to follow the newly regulated Covid-19 rules and yet still provide an outstanding book. This book will be the home for all of the unforgettable memories the Westhill High School community has shared over the course of the roller coaster we call the years 2020 and 2021. This year's book will be one that no one has ever seen before and you do not want to hesitate to order your yearbook or place an order for a business or parent ad, as there are deadlines approaching fast. The link to the yearbook website which contains all of the deadlines, dates and other information is <https://sites.google.com/westhillschools.org/hsyearbook/home> or can be found on the Westhill High School Homepage under the Westhill HS Yearbook tab.

We hope you are able to join us in sharing these memorable moments by ordering a yearbook in order to forever remember the historical year of 2020-2021.

District News

Walberta Park Elementary School News

Attention Incoming Kindergarten Parents 2021-2022 School Year

Registration for the 2021-2022 kindergarten class at Walberta Park School is approaching.

If you have a child that will be five on or before December 1, 2021, please follow these simple steps:

1. Fill out the form below and return it to:
Walberta Park School
Kindergarten 2020-2021
400 Walberta Road
Syracuse, New York 13219-2297
2. Once we have received this completed form, we will send a registration packet in the mail for you to complete. You will need to include the following with your completed registration packet. Your child will not be registered at school unless we have on file the following:
 - Copy of your child's original birth certificate (original not required due to COVID-19)
 - Proof of district residency (deed, lease or rental agreement, mortgage statement)
 - Physical and immunization records (can be sent in later after the 5 year check up)
3. Please fill out the packet completely and return it to us between March 1st and March 5th. Due to COVID-19, there will not be an in-person registration day.
4. A kindergarten orientation will be held for students and parents on Tuesday, August 31, 2021. More information will be forthcoming.
5. Once your child is registered, you will receive a link to sign your child up for our kindergarten screening which will take place once school has ended, as long as it is in compliance with the governor's guidelines for COVID-19. Every incoming kindergartner must be screened to enter school. Screening helps us make class placements and plan for instruction to best meet children's needs.
6. Student hours for the 2021-2022 school year are 8:40am to 3:00pm.

Please take a moment to complete this form and return it to the above address no later than January 29, 2021.

COVID-19 UPDATES

As you know, a large portion of Onondaga County has been placed into the "Yellow" zone as it relates to COVID-19. As we enter the holiday season, traditionally rooted in social gatherings, please be mindful of the recommendations from the State and County Departments of Health.

The entire staff at Westhill is working hard to keep our schools open, but we need your help. Let's enjoy the season with loved ones and keep in person learning moving forward. We can do this Westhill!

From the Onondaga County Health Department

- Avoid close contact with people who are sick.
 - If you are sick, stay home and get tested.
 - Wash your hands often and thoroughly with soap and water for at least 20 seconds.
 - Avoid touching your eyes, nose, and mouth.
 - Stay home as much as possible—even young people and those who feel well.
 - When you go out, stay at least 6' away from others.
 - Wear a mask when in public and unable to maintain 6' social distancing.
 - Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
 - Clean and disinfect frequently touched objects and surfaces.
