Lady Warriors Sign National Letters of Intent

On Wednesday, November 10, in front of their families, friends, coaches and teammates, eight senior student-athletes signed their National Letters of Intent to participate in intercollegiate athletics at the Division I and II levels next fall. Congratulations to the following Lady Warriors on your decision to continue your athletic and academic careers at the next level.

Nicolette Albert - Le Moyne College - Lacrosse
Francesca Argentieri - Northwestern University - Lacrosse
Kate Heinrich - Siena College - Volleyball
Angie Mesa-Espinosa - Binghamton University - Track and Field
Marisa Rosati - The College of St. Rose - Lacrosse
Isabella Sampo - Le Moyne College - Lacrosse
Grace Winkler - University of Connecticut - Lacrosse
Gianna Zerrillo - Mercyhurst University - Lacrosse

Holiday Recess
Thursday, December 23rd - Friday, December 31st
Hispanic Heritage

Mrs. Merritt’s class celebrated Hispanic Heritage by learning about a variety of people. They learned about Supreme Court Justice Sonya Sotomayor, astronaut and scientist Ellen Ochoa, soccer player Pele as well as artist and women’s rights advocate Frida Kahlo. Students completed a portrait of Frida Kahlo using crayon, watercolors, paper clipping and tissue paper!

Yoga Kids

The Site Based Team at Walberta Park was pleased to offer YogaKids this fall. Trista Phillipson from “Little Yogis by Trista”, is our new instructor. Thank you to our custodians, administration and Ms. Trista for working together to safely hold classes with sanitation and social distancing measures in place. The yoga classes helped the children to focus on mindfulness, coordination, flexibility and calmness. What a wonderful way to start the day!

CRS Fall Food Drive

Students in Mrs. Prior’s fourth grade class participated in collecting and sorting donated items for the fall food drive. Students later discussed how gratitude is important as part of the Positivity Project character strength of the week.

4th Grade Learns About Bones

Students from Ms. Kick’s class learned about our bones and how they keep us protected and safe, with a bit of a seasonal twist. They talked about how our skulls are made up of several bones and all of the bones that support our eyes, ears and nose. Students made skeleton masks that could move the mouths up and down to say, “boo”!
Ms. O’Brien’s 5th grade students practiced printing from nature. Fall leaves in warm and cool color schemes celebrate the beauty in nature that artists often use for inspiration.

6th grade students exercised their shading skills by drawing pumpkins to show form. Students used soft drawing pencils and blending stumps to achieve smooth and varied values. They embellished their work with crayon rubbings of fall leaves. Wonderful job, 6th graders!

Ms. O’Brien’s 7th grade artists created beautiful faux stained glass. Students used black glue and acrylic paints to achieve the beautiful results!

**Water Scarcity**

Fifth graders have been learning about our need for freshwater and the limited accessible freshwater we have on Earth. Students made PSAs to alert everyone to the problem of water scarcity.

Students of the Month

September

5th Grade: Sofia Olesh, when out of school for a lengthy absence, continually kept her teacher updated by writing kind and respectful emails. She did her work to the best of her ability (sometimes during evenings and weekends). She demonstrated a positive attitude and perseverance.

6th Grade: Ronald Williams shows creativity and perseverance in the classroom. He positively supports his classmates and makes others smile with his one-liner jokes and beautiful artwork. He demonstrates bravery through his willingness to participate in the classroom and is a kind friend who looks out for others.

7th Grade: Owen Wilmot is caring, hardworking, a team player and always willing to go the extra mile. His upbeat attitude always makes walking into the library a pleasant experience. Keep up the good work!

8th Grade: Delaney Goode is a well-rounded student, athlete, and musician. She is mature, responsible and hard-working. She is well-liked by peers and adults.

October

5th Grade: Luka Dimovski made a seamless transition to the middle school. He came in ready to jump into 5th grade and give his best efforts. His positive energy and dedication are reflected daily in his school assignments and interactions with others. He demonstrates many of the P2 traits with his kindness, perseverance and humility. He is a terrific Warrior role model!

6th Grade: Clare Delay has intrinsic motivation that goes above and beyond classroom expectations. She is always seeking opportunities to learn more, read more and achieve more. She is patient and supportive to her classmates and shows teamwork in every assignment and project she works on.

7th Grade: Shaya Gbengbe comes to iStaff everyday eager to help out in any way possible. She does a wonderful job helping everyone that comes in the library.

8th Grade: Lily Schmitz is a very hard-working student who strives to do her best work at all times. Lily exhibits the P2 traits of leadership and kindness in class daily. She is an asset to her peers by unselfishly offering her help when needed.

Volume Lesson

Fifth graders in Mrs. Martin’s class have been exploring using volume in real-world situations. Students worked together to find the volume of individual rectangular prisms, then they combined them to make a new rectangular prism. Together pairs found the additive volume of the composed shape.
Veterans Day Cards

Students at OHMS made beautiful, thoughtful and caring cards for the Veterans at the VA Hospital in Syracuse. Their words and creativity showed gratitude and kindness. We delivered close to 300 cards this year. Thank you to the Veterans that have served our country. We appreciate your bravery and perseverance!

2021 Build ‘Em and Bust ‘Em

On November 6, two teams from the OHMS Tech Club competed in the annual Build’em and Bust’em bridge building competition held at the MOST. This competition is sponsored by the MOST, Syracuse University, Lockheed Martin and the Technology Alliance of CNY.

Students use their knowledge of construction systems, civil engineering and bridge design to create and construct a truss bridge. The goal of the competition is to obtain the best efficiency rating possible with their design. The efficiency rating is the result of dividing the mass of their bridge before the test by the load required to “bust” the bridge. After weeks spent designing and building the bridge at school, each team tested their bridge at the MOST. OHMS had a great showing this year as team members Mary Kinney, Andrea-Ann Kodoe and Claire Kelly took first place, and team members Jimmy Moore, Lucas DeLine and Nicolas Cardoso came in 5th place among 21 competing teams in the middle school division. Additional team members include Cadeanne Roberts, Jayden Campbell and Ayriana Henderson. Congratulations to all members for a job well done.
Onondaga Hill Middle School

An Evening with Author, Jason Reynolds
by Angelina Centore, 6th Grade

On October 26, a large group of Westhill students and staff rode to the Civic Center in the rain and cold to listen to award-winning author Jason Reynolds. He shared with the audience the struggles he faced growing up, and how he overcame them to become who he is now. Every single person in that room, whether eight or eighty, tall or short, walked in as one person and out as a different one after hearing him speak.

Both genuine and hilarious, he described how when he was a kid he refused to read because nobody in the books looked or lived or talked like him. Eventually one of his college professors handed him the book, *Black Boy*. He then went back to read all the “required” reading from his youth. He went on to write *When I was Famous*, about growing up in a poor black neighborhood. He wrote *Boy in a Black Suit*, about how growing up, your friends would disappear from violence and addiction. He wrote *Ghost*, about how his friend’s father went crazy and attacked his family. How people treat young kids, “Juvies” like criminals, when they are just deprived and mistreated. That became the book *Long Way Down*. All of his books, his characters, were about real things. Real life, and that’s so amazing. That’s how Jason became who he is. He communicated a feeling so strong it’s indescribable. He said, “You can worry about money and wealth, but the most expensive thing you will ever own is your story. Honor it, take care of it, and if you ever get a chance to share it with the world, take it. Take that chance, because it will change your life, and the lives of everyone around you.

This amazing event was provided free to Westhill students thanks to a Westhill Educational Foundation Grant.

Cross Country

The boys and girls modified cross country team finished their regular season undefeated. Throughout the season, the team exhibited teamwork, bravery, kindness, perseverance, enthusiasm and social intelligence at every meet and practice. Congratulations, OHMS runners!
Channel 9 Athlete of the Week

Congratulations to senior Anthony Maglisco on being named Athlete of the Week by News Channel 9 for the week of October 20th. Anthony has been a member of the varsity golf team since 7th grade. Now a senior, Anthony shot a 69 during sectional play to earn an individual Section III Championship Title and help lead his team to a Section III Team Championship Title. The News Channel 9 Athlete of the Week is designed to honor Section III varsity athletes who embody the true meaning of a student-athlete. This award doesn’t just acknowledge athletic ability it also recognizes athletes who are a great example in the classroom and the community. Congratulations, Anthony!

Fall Teams Earn League and Sectional Titles

For the first time since the winter 2019-2020 season, Westhill student-athletes participated in a full-length season complete with Sectional and State Championship play. The fall season was a great success with teams earning both Section III and Onondaga High School League titles. Girls’ soccer and boys’ cross-country both earned league titles. Boys’ golf brought home a Section III Title. Anthony Maglisco (boys’ golf) shot a 69 earning him an individual title during sectional play. We would like to congratulate all of our fall sport student athletes on a great season! Every one of you worked extremely hard to balance you academics and athletic endeavors to be successful on the field, court, course, in the pool and in the classroom.
Commended Students

Congratulations are extended to seniors, Isabella Jones, Abigail Miggiani, Noah Rewakowski, Brian Kenny and Liam Mahar for earning Commended Student status in the 2022 National Merit Scholarship Program. Commended students placed among the top 50,000 students who entered the 2022 competition by taking the 2020 Preliminary SAT/National Merit Scholarship Qualifying Test.

Pumpkins for a Positive Impact

Students in Mrs. Kurro’s English class have spent the first few months of the school year embracing the #OtherPeopleMatter mindset. By doing this, our students have focused on characterization and how characters build relationships with others throughout a piece of literature. In the novel, *The Five People You Meet in Heaven*, Eddie lives his life protecting and serving others; Doon and Lina, of *The City of Ember*, are trying to save the people of Ember, no matter the cost and Castle Cranshaw is finding peace on the track, all because of a coach who cares in the novel, *Ghost*. While these characters grow and develop, the students of room 201 are doing the same. They have partnered with The Pumpkin Hollow to paint and deliver, donated pumpkins to the residents of Brookdale Senior Living. #OtherPeople do matter, and our students are making a positive impact in the world around them.

October Warriors of the Month

9th Grade: Eli Juman loves to learn and share all that he has learned with his teachers and peers. When he is not hard at work on his schoolwork, he is reading and learning about his multiple topics of interest. Eli enjoys having discussions with other students, and is always open to others’ ideas and opinions. He wants to hear and learn from others and help out when needed.

10th Grade: Shamus Edlund is a well-rounded student who excels in multiple areas. He participates in class regularly, has great grades and is an enthusiastic student. His peers respect him and he is a good role model. Most importantly, Shamus is having fun!

11th Grade: Sam Militello is one of those students who “just gets it done”. He rarely complains, always seems to be positive, approaches his interactions with humor (including with teachers) and will happily talk with anyone. Keep up the great work, Sam!

12th Grade: Sofia Benderski is a student that has the respect of both teachers and students. She is unfailingly kind and thoughtful. She understands that even a small gesture of kindness can brighten someone’s day. Sophia’s warm personality and welcoming nature make those around her feel like they matter.
Drama Club

Live theater is back at Westhill High School! On November 12 and 13, the WHS Drama Club treated the sizable crowd to the physical comedy, *Larceny and Old Lace*, a spoof on the community theater classic. The cast of sixteen has been working almost daily since early September on rehearsing for this production. Parents, alumni parents and cast members built the beautiful set and costumed the cast with memorable attire, nearly over night. “It was a blast to direct and work with a such a dream cast and crew” said director, Joe Buchmann.

How Dense is a Human?

The honors chemistry class designed a lab to determine just how dense a human was by using water displacement.

Future Teachers Club

On Tuesday, October 26, the Future Teachers Club took a field trip to SUNY Oswego. The first half of the day consisted of a general admission presentation and full campus tour from the admission’s office. After eating lunch in one of their dining halls, our group met up with former Westhill English Teacher, Dr. Sarah Fleming. Dr. Fleming currently works in the school of education at SUNY Oswego. Her and her colleagues gave us a private tour of the education buildings. They also arranged a Q&A session with former Westhill alumni attending SUNY Oswego and other school of education students. Club members saw firsthand one of the best education programs in the state.

Author Visit

On September 30, 2021, Westhill High School hosted a virtual author visit with mystery writer, April Henry. All 9th grade students attended the presentation as an extension activity of their summer reading program. Other high school students who have read April Henry books were also invited to attend. She discussed the challenges of becoming a writer, and explained the extensive research she conducts for each book. Student feedback was overwhelmingly positive with students noting that they really enjoyed hearing the backstories to her books and how she attends a Police Academy for Writers to ensure her books are realistic.

Walberta Park Elementary School News

Attention Incoming Kindergarten Parents
2022-2023 School Year

Registration for the 2022-2023 kindergarten class at Walberta Park School is approaching.

If you have a child that will be five on or before December 1, 2022, please follow these simple steps:

1. Fill out the form below and return it to:
   Walberta Park School
   Kindergarten 2022-2023
   400 Walberta Road
   Syracuse, New York 13219-2297

2. Once we have received this completed form, we will send a registration packet in the mail for you to complete. You will need to include the following with your completed registration packet. Your child will not be registered at school unless we have on file the following:
   • Copy of your child’s original birth certificate (original not required)
   • Proof of district residency (copy of deed, lease or rental agreement, mortgage statement)
   • Physical and immunization records (can be sent in later after the 5-year check up)

3. Please fill out the packet completely and return it to us between March 7 and March 11, 2022. You can mail it, drop it off or email it. There will not be an in-person registration day.

4. A kindergarten orientation will be held for students and parents on Tuesday, August 30, 2022. More information will be forthcoming.

5. Once your child is registered, you will receive a link to sign your child up for our kindergarten screening which will take place on June 27 and 28, 2022. Every incoming kindergartner must be screened to enter school. Screening helps us make class placements and plan for instruction to best meet children’s needs.

6. Student hours for the 2022-2023 school year are 8:40am to 3:00pm.

Please take a moment to complete this form and return it to the above address no later than January 28, 2022.

(PLEASE PRINT CLEARLY)

Child’s Name__________________________________________ Gender: M F Date of Birth____________________

Westhill High School Stage

Walberta Park School Cafeteria
We have much to be thankful for at Westhill as we move through the 2021-2022 school year. While COVID-19 continues to have an impact on how we do things as a school community in order to keep our students and staff safe, we have all of our students back in school full time, we have been able to enjoy a successful fall sports season, watch the live theatre of our high school play and hold the first concert in the high school auditorium since March of 2019. As the weather starts to change, we look forward to winter sports and the many concerts and events that will be happening in all of our buildings. We hope that you will be able to join us in-person to watch your children, grandchildren, neighbors and friends participate in many of the wonderful things going on at Westhill.

Whatever your ‘to-do’ list is filled with this time of year, I’m sure it’s pretty extensive. Whether tied to home or work, this time of year can be incredibly busy; shopping, wrapping, baking, decorating, planning get-togethers, closing out one year and preparing for the next, and a thousand other things filling up your plate. In all of the ‘noise’ and ‘frenziness’ of the season, it is easy to lose sight of what matters most; other people. When it’s all said and done and the holidays are in the rearview mirror, it will be the time we spent with our family and friends, as well as the things we did to bring some brightness into other people’s world that matters most.

So slow down, take some time for yourself and for those around you and enjoy the moments that make up this time of year. If it’s not already on your list, go out of your way to lift someone up who needs a helping hand. We all have the incredible power to change the world one day at a time, one action at a time and one person at a time. It starts with us.

Continued Success,

Stephen R. Dunham
Superintendent of Schools
