

Westhill Central School District Safety Committee Highlights

Safety Committee Minutes from January 11, 2011 @ 3:30 – 4:30 PM

Unfinished/Old Business:

A tour in November with the County Sheriffs Dept and the Geddes Police Dept. was conducted on Nov 22. Maps of the schools were given to SWAT and a review of building layouts was reviewed.

Regular Reports/Inspections:

Larry Allen discussed the 5-year building Site Inspection conducted by the Districts Architect. A list of inspection items were handed out for review.

Ken Waldby: Right-to-know and Blood borne Pathogen training has been scheduled for the schools in the district. District staff will be reminded of the SAVE plans during Right-to-know training, to include the 'chain of command' and the Building Response Teams for that school. Safety Committee Members for the District will be added.

New Business:

As the Capital Project for the School Construction draws near, goals and specifics will be addressed and the Construction Manager will be invited to April's Safety Committee Meeting.

Next Safety Committee Meeting: APRIL 26, 2011
