To Our Westhill Community:

We appreciate your patience as we work to promote equality in our schools. This statement is written to briefly supplement the previous one issued relating to Pride month.

The District supports and values all community members, regardless of their race, ethnicity, national origin, religion, ability, sexual orientation, or gender identity. We further condemn all incidents of hate and discrimination. We are firm in our commitment to support each student to reach their potential. This includes making sure each student knows there is more uniting us than dividing us.

At our core, we strive to be a constant safe place for students to learn about themselves and society as a whole. At school, students may push boundaries and learn what is acceptable. It is our task to respond to incidents appropriately. We appreciate your patience as we address matters in a way that is as minimally disruptive to our educational environment as possible. Should you have any concerns or suggestions, please bring them to the attention of your building principal or administrators.
