Dear Parents, Guardians and Staff:

The Westhill Central School District has received results for lead testing in the water at Walberts Park School. All potable water outlets that are in service were tested. Eleven of outlets came back with levels matching or exceeding the Action level 5 parts per billion. A Non Potable Water sign has been placed next to the outlet until remediation and retesting is completed.

If you have any questions, please contact my office.

Sincerely,

Thomas Curtis
