Syracuse Children's Theatre's Mission

SCT's Mission
The mission of Syracuse Children's Theatre is to provide cultural enrichment to the children of Central New York through enjoyable, exciting and enlightening theatrical experiences.

We accomplish this mission through:
- Classes in which students learn the fundamentals of theatre, including audition preparation, dance/movement, music, scene work, and performance.
- Productions that engage all children and allow them to develop their theatrical talents as well as social, emotional and academic skills.
- Special Events that engage the Central New York community in support of children's theatre.
