- Waterbottle
- A healthy snack every day (***please pack separate from lunch***)

Please only label **personal belongings** and headphones.

Kindergarten Supply List

For Students **Entering** Kindergarten at
Walberta Park School
2025-2026

This year our kindergarten classrooms will be using a shared supply model. To help build a caring, cooperative classroom as well as organizational and social skills students will have access to community classroom supplies. Classroom supplies do not need to be labeled with your child's name.

We have experienced a decrease in our budget and realize that parents may also be facing hardship. If you are unable to provide classroom supplies or personal belongings please contact your child's teacher or our school social worker (Beth Piorkowski bpiorowski@westhillschools.org) and we will do our best to help.

When purchasing clothing and footwear, please keep in mind your child should be able to put them on and take them off independently. If your child can not tie their own shoes, **please purchase velcro closure or slip on shoes**. All personal belongings that come to school need to be labeled with your child's name. Thank you!

Classroom supply "kits" purchased through the district will be delivered directly to the classroom. If you opted to purchase classroom supplies independently, they can be brought in with you the day of kindergarten orientation or dropped off prior to the first day of school. Having supplies ahead of time helps establish an easy transition to kindergarten.

Thank You,
Walberta Park School
Kindergarten Teachers
